

“We can remove bankruptcies, judgments, liens, and bad loans from your credit file forever!” The Federal Trade Commissions says companies that promise to scrub your credit report of accurate negative information for a fee are lying. Under federal law, accurate negative information can be reported for up to seven years, and some bankruptcies for up to 10 years. Learn about managing credit and debt at ftc.gov/credit. A message from *The Voyager Press* and the *FTC*.
