Dear McGregor High School Graduate or Staff Member (past or present),

The Voyager Press newspaper, along with the All School Reunion Committee, is putting together a special publication similar to the one we did in 2003.

This publication will be made available for those attending the celebration for \$2.00. A portion of the proceeds will go to Dollars for Scholars. (Requests can be made to have them mailed, if you are unable to attend).

In the publication, we are planning on including history articles, human interest stories and information about former graduates. To collect that information, we need your assistance. Please answer the following questions and send back to the Voyager Press. The information can be mailed or e-mailed to the addresses listed above. We are currently working to include this on our website so please check this out at www.thevoyageurpress.com.

To cover the cost of producing, printing and distributing the publication, we are contacting Alumni (or parents of alumni) who own a business, to help by placing a display ad. In that advertisement we are including the owner's (or their sibling/children's) graduation photos.

This was a very popular feature with our last publication. We have included two sample advertisements from the 2003 publication below.

For inquiries or to place an ad, please contact Beckie Christoferson or Amber Lehman at the number above or e-mail them at vpofmg.ads@frontiernet.net.

Thank you for your consideration and support. We look forward to hearing from you.

Sincerely,

John Grones
