Assisted Living Administrator Needed

Northland Village, an affiliate of the Northland Foundation - a northeastern Minnesota regional foundation, seeks an administrator for a new 20-suite assisted living facility in McGregor, Minnesota. Responsibilities include facility management; hiring, training and supervising staff; resident screening and admissions; marketing; and ensuring compliance with current state regulations and standards for assisted living facilities.

Requirements: 3-5 years experience in assisted living management or related field; must be a self-starter; relate professionally with staff including Northland Foundation staff, residents and their family members, and other health care providers; display a positive attitude; and be a team player.

Competitive salary and benefits offered commensurate with skills, training and experience.

Please send resume by November 8, 2007
